

CURRICULUM VITAE  
ANDREW SZASZ

PROFESSOR, DEPARTMENT OF ENVIRONMENTAL STUDIES  
UNIVERSITY OF CALIFORNIA, SANTA CRUZ

Office: 430 ISB, UCSC, Santa Cruz, CA 95064  
Telephone: (831) 459-4662  
email: szasz@ucsc.edu

EDUCATION

Harvard University, 1965-1969 (B.A., cum laude, 1969).

University of Chicago, 1969-1971 (M.A., Clinical Psychology, 1971).

University of Wisconsin, Madison, 1971-1972 (Clinical Internship).

University of Wisconsin, Madison, 1975-1982 (Ph.D., Sociology, 1982).

University of California at San Francisco, 1985-1986 (Institute for Health Policy Studies Post-Doctoral Program).

EMPLOYMENT

Instructor, Department of Sociology, University of Wisconsin, Madison, 1980-1982.

Assistant Professor, Department of Sociology, Rutgers University, 1982-1985.

Assistant Professor, Associate Professor, Professor, of Sociology; Professor of Environmental Studies, University of California, Santa Cruz, 1986- .

Visiting Associate Professor, Department of Social and Behavioral Sciences, University of California, San Francisco, 1992-1993.

Provost, College Eight, University of California, Santa Cruz, 1998-2004.

Chair, Department of Sociology, University of California at Santa Cruz, 2007-2009.

Chair, Department of Environmental Studies, University of California, Santa Cruz, 2013-2016

## AWARDS

For teaching

UCSC Alumni Association, 1991-1992

Golden Apple, UCSC Social Science Divisional Teaching Award, 2001

UCSC Excellence in Teaching Award, 2007

American Sociological Association, Section on Environment & Technology, Teaching and Mentoring Award, 2014

For EcoPopulism: Toxic Waste and the Movement for Environmental Justice

Association for Humanistic Sociology 1995-96 Book Award

Voted #3, "Top 10 Environmental Sociology Books/Articles" in poll conducted by the Environment and Technology Section of the American Sociological Association

For Shopping Our Way to Safety: How We Changed from Protecting the Environment to Protecting Ourselves

Finalist, 2008 C. Wright Mills Book Award, Society for the Study of Social Problems

Honorable Mention, 2008 Harold and Margaret Sprout Award, Environmental Studies Section, International Studies Association

For research

American Sociological Association, Section on Environment & Technology, Fred Buttel Distinguished Contribution Award, 2011

UCSC, Social Science Division, Martin M. Chemers Award for Outstanding Research, 2016

## BOOKS

How the World's Religions are Responding to Climate Change: Social Scientific Investigations, Robin Globus Veldman, Andrew Szasz and Randolph Haluza-DeLay, eds., Routledge, 2014.

Shopping Our Way to Safety: How We Changed from Protecting the Environment to Protecting Ourselves, University of Minnesota Press, 2007.

Ecology and the World-System, Walter L. Goldfrank, David Goodman, and Andrew Szasz, eds., Westport, CT: Greenwood Press, 1999.

EcoPopulism: Toxic Waste and the Movement for Environmental Justice. Minneapolis: The University of Minnesota Press, 1994.

#### JOURNAL ARTICLES; BOOK CHAPTERS

“Consumption,” in Keywords for Environmental Studies, Joni Adamson, William A. Gleason, and David N. Pellow, eds., NYU Press, forthcoming 2016.

Beth Shaefer Caniglia, Robert J. Brulle and Andrew Szasz, “Civil Society, Social Movements and Climate Change,” Chapter 8 in Riley E. Dunlap and Robert J. Brulle, eds., Society and Climate Change: Sociological Perspectives, Oxford University Press, 2015.

“Novel framings create new, unexpected allies for climate activism,” Chapter 10 in by Shannon O’Lear and Simon Dalby, eds., Reframing Climate Change: Constructing an Ecological Geopolitics, Routledge, 2015.

Bernard Zaleha and Andrew Szasz, “Why conservative Christians don’t believe in climate change,” Bulletin of Atomic Scientists, 71(5; September/October): 19-30, 2015.

Robin Globus Veldman, Andrew Szasz and Randolph Haluza-DeLay, “Introduction,” Chapter 1 in How the World’s Religions are Responding to Climate Change: Social Scientific Investigations, Veldman, Szasz and Haluza-DeLay, eds., Routledge, 2014.

Bernard Zaleha and Andrew Szasz, “Keep Christianity Brown! Climate Denial on the Christian Right in the United States,” Chapter 14 in How the World’s Religions are Responding to Climate Change: Social Scientific Investigations, Veldman, Szasz and Haluza-DeLay, eds., Routledge, 2014.

Robin Globus Veldman, Andrew Szasz and Randolph Haluza-DeLay, “Conclusion,” Chapter 19 in How the World’s Religions are Responding to Climate Change: Social Scientific Investigations, Veldman, Szasz and Haluza-DeLay, eds., Routledge, 2014.

Robin Globus Veldman, Andrew Szasz and Randolph Haluza-Delay, “Introduction: Climate Change and Religion – A Review of Existing Literature,” Journal for the Study of Religion, Nature and Culture, 6(3):255-275, 2012.

“Is Green Consumption Part of the Solution?” pp. 594-608 in John S. Dryzek, Richard B. Norgaard, & David Schlosberg, eds., The Oxford Handbook of Climate Change and Society,

Oxford University Press, 2011.

"America's Toxic Waste Movement: Implications for Asia's Environmental Movements," in Asia's Environmental Movements in Comparative Perspective, Yok-shiu F. Lee and Alvin So, eds., M.E. Sharpe, 2000.

"Author Meets Critic: Andrew Szasz, EcoPopulism," American Sociological Association, Washington, DC, August, 1995.

"Civilian Stakeholders' Participation in the Toxic Cleanup of Military Facilities," with Michael Meuser, American Sociological Association, Washington, DC, August, 1995.

"The Contemporary Environmental Movement in the U.S.," First Workshop on "Asia's Environmental Movements in Comparative Perspective," Honolulu, November, 1995.

"Social Inequalities in Exposure to Toxic Industrial Emissions," with Michael Meuser, Conference on "Globalization and Collective Actions: Strategies and Prospects for Oppositional Politics," Santa Cruz, CA, May, 1996.

"America's Toxic Waste Movement: Implications for Asia's Environmental Movements," Second Workshop on "Asia's Environmental Movements in Comparative Perspective," Hong Kong, February, 1997.

"Environmental Justice in Historical and Global Contexts," Colloquium, Energy and Resources Group, University of California, Berkeley, April, 1997.

"The Production of Environmental Inequalities in Santa Clara County, California," 11th Annual Research Symposium, University of California Toxic Substances Research and Teaching Program, San Diego, CA, April, 1997.

"Environmental Inequalities: Contemporary Geographic Proximities; Historical/Dynamic Explanations," with Michael Meuser, American Sociological Association, Toronto, August, 1997.

"Environmental Inequalities: Literature Review and Proposals for New Directions in Research and Theory," with Michael Meuser, American Sociological Association, Toronto, August, 1997.

"Environmental Inequalities," Colloquium sponsored by the Center for Global, International and Regional Studies, University of California, Santa Cruz, November, 1997.

"Incorporating Spatial, Temporal and Demographic Factors into Environmental Justice Research," with Michael Meuser, American Sociological Association, San Francisco, August, 1998.

"Environmental Inequalities in Silicon Valley: Lessons for Regional Development," with Michael Meuser, Conference on Global Networks, Innovation and Regional Development: The Informational Region as Development Strategy," University of California, Santa Cruz, November, 1999.

"The Fallout Shelter as Metaphor," UCSC Department of Environmental Studies colloquium, February, 2000.

"The Fallout Shelter as Metaphor," UC/Berkeley Energy Research Group colloquium, December, 2000.

"Classical Theory: A Roundtable Discussion," UCSC Sociology Colloquium, March, 2001.

"The Fallout Shelter as Metaphor," UCSC Sociology Colloquium, May, 2001.

"The Inverted Quarantine Response to Risk," American Sociological Association, Washington, D.C., August, 2001.

"Bottled Water and the Atomic Fallout Shelter: Case Studies in Inverted Quarantine," Association of Humanistic Sociology, Madison, WI, October, 2002.

"Imaginary Refuge: Fallout Shelters, Bottled Water and other Hopeless Ways to "Cope" with Risk," Department of Environmental Toxicology, UCSC, January, 2003.

"I'd like to do something about global warming, but I'm just too tired," Treadmill of Production Symposium, Madison, WI, October, 2003.

"Feeling Safe (Enough) to Support an Aggressive Foreign Policy: Atomic Civil Defense in the 1950s and Homeland Security Today," American Sociological Association, Philadelphia, PA, August, 2005.

“Inverted Quarantine: A Perverse – and very American – Form of Environmental Politics,”  
 “Thinking Through the Environment” Conference, Turku, Finland, September, 2005.

“Inverted Quarantine: A kind of “Green” Consuming that Fosters Political Anesthesia,”  
 Sustainable Consumption and Society Conference, Madison, WI, June, 2006.

“Class and Race Dimensions of Exposure to Toxic Hazards in Silicon Valley,” Law School,  
 University of Wisconsin, Madison, April, 2007.

“A Debate on Green Consuming,” The Nature Conservancy ConEx, Vancouver, October, 2008.

Author Meets Critics session on Shopping Our Way to Safety, American Sociological  
 Association, San Francisco, August, 2009.

“Can We Consume Our Way to Climate Restoration? An Agenda for Studying ‘Smaller Carbon  
 Footprint’ Consumption,” SCORAI Workshop on "Individual Consumption and Systemic Social  
 Transformation," Clark University, October, 2009.

“Can We Shop Our Way to a Sustainable Future?” This Way to Sustainability Conference,  
 California State University at Chico, November, 2009.

“Shopping Our Way to Safety,” Department of Sociology, University of Illinois, Champaign-  
 Urbana, November, 2009.

“Resource Curse” Panel, Practical Activism Conference, UCSC, October, 2010.

Respondent, conference on “Coastal Cities: Urbanization, Water & Environmental Justice,”  
 UCSC, October, 2010.

"From Toxics in the Body to National Security -- A Sociologist Considers the Future of Water in  
 American Society," keynote speech at the founding of the Center for Social Inquiry, Texas State  
 University, San Marcos, TX, April, 2011.

“The Military and the Intelligence Establishment: Unexpected Allies in the Struggle over  
 American Climate Change Policy,” American Sociological Association, Las Vegas, August,  
 2011.

“We’re Pessimistic Because We Pay Too Much Attention to Conservative Christians,”  
 Association for Environmental Studies and Sciences,” Santa Clara, CA, June, 2012.

“Beyond ‘Rounding Up the Usual Suspects:’ Identifying New, Unexpected Allies in the Struggle  
 for Climate Policy,” Department of Sociology, UC/Davis, April, 2014.

“Climate Change and Social Inequality,” American Sociological Association, San Francisco,  
 August, 2014.

“Making Social Theory Still Matter at the End of the World,” colloquium, Department of Sociology, Colorado State University, Ft. Collins, CO, December, 2014.

“Bottled Water,” Google, January, 2015.

“‘What’s Faith Got to do with It?’ The World’s Great Religions Speak Out on Climate Change,” Colloquium, Erb Institute, University of Michigan, Ann Arbor, April, 2015.

“‘What’s Faith Got to do with It?’ The World’s Great Religions Speak Out on Climate Change,” Colloquium, Department of Sociology, University of New Orleans, April, 2015.

“Conflict Over Teaching Climate Change in American Public Schools,” European Sociological Association, Prague, August, 2015

“Going Rogue: Russ George and the Problem of Governance in Geoengineering,” International Sociological Association, Vienna, July, 2016.

“Red State; Blue State: Conflict over Teaching Climate Science in U.S. Public Schools,” International Sociological Association, Vienna, July, 2016.

“Environmental Justice in the U.S.: Origins, Trends, Research, Social Movement,” European Society for Ecological Economics, Budapest, June, 2017.

“How Climate Change Is Taught – Poorly, If at All – in Introduction to Sociology Courses; An Empirical Investigation,” International Sociological Association, Toronto, July, 2018.

## RESEARCH GRANTS

"Political Scandals," Summer Research Grant, Rutgers Research Council, Rutgers University, 1983.

"Labor Market Implications of Cost-Containment Policies in Health Care," Faculty Senate Research Grant, University of California, Santa Cruz, 1986-1987.

"The 19th Century Shorter Hours Movement and Recent Occupational Safety and Health Policy," Faculty Senate, Committee on Research Grant, University of California, Santa Cruz, 1987-1988.

"Social Movements and the Evolution of Environmental Regulation: A Comparison of Worker Health and Hazardous Waste Regulations" Social Science Division Research Grant, University of California, Santa Cruz, 1988-1990.

"Social Movements and Environmental Protection," Social Science Division Research Grant, University of California, Santa Cruz, 1990-1991.

"The Demographics of Proximity to Toxic Releases: the Case of Los Angeles County," University of California Toxic Substances Program; Principal Investigator, 1992-1994.

"Ideology in a Bottle: Individualized 'Solutions' to Environmental Degradation," Social Science Division Research Grant, University of California, Santa Cruz, 1994-1995.

"The Production of Environmental Inequalities in Santa Clara County, California," University of California Toxic Substances Program; Principal Investigator, 1996-1998.

"The Production of Environmental Inequalities in Santa Clara County, California," Social Science Division Research Grant, University of California, Santa Cruz, 1996-1998.

"The Production of Environmental Inequalities in Santa Clara County, California," Faculty Senate, Committee on Research Grant, University of California, Santa Cruz, 1996-1997.

## TEACHING

At the University of Wisconsin, Madison, 1980-1982

- Classical Sociological Theory
- Sociology of Medicine
- Criminology (as Teaching Assistant)

At Rutgers University, 1982-1985

- Sociology of Medicine & Health Care
- Sociology of Mental Illness
- Behavioral Science and Public Health
- Social Inequalities
- Sociological Concepts Through Film

At the University of California, Santa Cruz, 1986-

- Classical Sociological Theory (undergraduate)
- Classical Sociological Theory (graduate)
- Contemporary Sociological Theory (undergraduate)
- Contemporary Sociological Theory (graduate)
- Advanced Topics in Sociological Theory (graduate)
- Policy Research Seminar (graduate)
- Sociology of Environmental Politics (undergraduate)
- Research on Environmental Inequality (undergraduate)
- Environmental Inequalities (undergraduate)
- Society and Nature (undergraduate)
- Environmental Sociology (graduate)
- College Eight Core Course, "Society and Nature"

At the University of California, San Francisco, 1992-1993

Classical Sociological Theory (graduate)  
 Contemporary Sociological Theory (graduate)  
 Perspectives on Health Policy (graduate)

### PROFESSIONAL ACTIVITIES

Member, American Sociological Association (ASA).

Member, ASA Section on Environment and Technology.

Section Council, ASA Section on Environment and Technology, 1989-91.

Member, Society for the Study of Social Problems, 1978-1990.

Editorial Board, Social Problems, 1986-1990.

Editorial Board, Capitalism, Nature, Socialism, 1989-1993.

Manuscript reviewer for Social Problems; Criminology; American Journal of Sociology; Sociological Inquiry; Antipode, University of Minnesota Press and other university presses.

Organizer, Session on Occupational Hazards, Society for the Study of Social Problems, Washington, D.C., 1985.

Organizer, Session on Corporate Crime Research, Society for the Study of Social Problems, New York, NY, 1986.

Discussant, Session on Conceptions of "Hazard" in a Technological Society, American Sociological Association, San Francisco, 1989.

Organizer, session on Environmental Justice, American Sociological Association, Los Angeles, CA, 1994.

Co-organizer, Conference on "World Systems and the Environment," Political Economy of the World System (PEWS) Section of the American Sociological Association, UC/Santa Cruz, 1997.

Discussant, Session on "Environmental Justice," Society for the Study of Social Problems, San Francisco, 1998.

Discussant, Session on "Local Ecosystem Management," American Sociological Association, San Francisco, 1998.

Chair, Environment and Technology roundtable, American Sociological Association, 2007.

Member, ASA Task Force on Sociology and Climate Change, 2011-2015.

Co-editor of special issue of the Journal for the Study of Religion, Nature and Culture,

#### EARLIER HONORS AND AWARDS

National Merit Scholar, Harvard University, 1965-1969.

John Harvard Honorary Scholarship, Harvard University, 1965-1966, 1967-1969.

#### FELLOWSHIPS, TRAINEESHIPS

National Institutes of Mental Health Clinical Psychology Traineeship, University of Chicago, 1969-1971

National Institutes of Mental Health Medical Sociology Traineeship, University of Wisconsin, Madison, 1975-1979

University of Wisconsin Graduate Fellowship, University of Wisconsin, Madison, 1979-1980
